Lumber Industry—Big orders in prospect for railroad cars and extensive paving contracts specifying blocks provide some elements of prosperity for the lumber industry. Among the railroads which have recently issued inquiries and the number of cars and the approximate amount of lumber which will be required are the following: Pere Marquette R.R., 1,000 forty-ton box cars, 4,500,000 ft.; New York, Chicago & St. Louis R.R., 500 40-ton steel underframe automobile cars, 2,500,000 ft.; Chicago & Alton Ry., 200 forty-ton automobile cars, 1,000,000 ft.; Atlantic Coast Line, 50 to 100 double deck forty-ton stock cars, 250,000 to 500,000 ft.; Chicago & Alton Ry., 300 furniture cars, 2,000,000 ft. In the paving field contracts let or to be let are for over 40,000 sq.yd. in Kansas City, 75,000 yd. in New Orleans, 21,000 yd. in Ft. Dodge, Iowa, while the entire length of Battery St. in San Francisco will have Douglas fir blocks, making it the biggest stretch of wood-block paving in California. Norfolk, Va., is contemplating contracting for 36,000 sq.yd., requiring approximately 1,300,000 ft. of lumber. Smaller contracts include 7,500 yd. of Southern pine for Galveston and over 8,000 yd. of fir for Seattle.

France—The annual fair at Lyons, France, will be held from Mar. 1 to 15, 1917, inclusive. Buyers from all parts of the world will be present, and it is desired to have as large a representation of American manufactures as possible. The State Department has placed $500 at the disposal of the American Consul, which will enable him to distribute the catalogs and other literature of American manufacturers who are interested.

The Jeffrey Manufacturing Co., Columbus, Ohio, has opened an agency with the Gustin-Bacon Manufacturing Co., a large and old-established firm of Kansas City, in order to establish closer coöperation with its customers in Kansas, Missouri and Oklahoma, and improve its service there. The Gustin-Bacon Co. will carry a line of Jeffrey transmission machinery, chains, buckets, etc., in stock. J. S. Davidson, who has spent several years in the sales and engineering departments of the Jeffrey Co. has associated himself with the Gustin-Bacon Co. and will handle all inquiries for Jeffrey products.

Road Work

Atlantic City, N. J.

The Board of Chosen Freeholders of Atlantic County, N. J., will receive bids at Eleven o'Clock A.M. during a meeting to be held in Memorial Hall, New York Avenue, Atlantic City, N. J., November 4th, 1916, for extraordinary repairs to any number or all of the following roads, or to the three as a whole:

1—White Horse Pike from Absecon to Hammonton.
2—White Horse Pike from Hammonton to the Camden County Line.
3—Ocean Highway from Absecon to Sea View Golf Club.

Plans and specifications may be seen at the office of the Engineer for Atlantic County, N. J., Guarantee Trust Building, Atlantic City, N. J., where they may be obtained in return for a deposit of $10.00 for each set. Such deposit will be refunded if plans and specifications are returned by noon of November 6th, 1916. Bids must be made out on bidding blanks incorporated in the specifications.

The total work involved in the three roads is approximately as follows: Embankment, 8,736 cubic yards; Warrenite Pavement and Base Course, 287,475 square yards; Graveled Shoulders, 22,572 cubic yards; Gravel "C" for foundations, 14,853 cubic yards; Concrete Gutters, 5,366 square yards; Wooden Guard Rail, 20,500 lineal feet; together with quantity of Concrete Headers, Drainage Provisions, Catch Basins and other incidental items.

A certified check to the amount of $1,000 will be required with each bid and a contractor will be required to furnish a bond in the full amount of the contract price, which must guarantee maintenance for a period of five (5) years.

If the contract is awarded it will be conditioned upon the sale and delivery of bonds by Atlantic County for payment of the work under the contract, and a contract will not be executed and delivered to a contractor until said bonds have been issued, sold and delivered.

The right is reserved to reject any or all bids.

A. H. NELSON,
Engineer for Atlantic County.
DOMINIC CORSIGLIA,
Chairman of Road Committee.
